1. Have you completed all reporting requirements for the above-mentioned grants (i.e., submitting a final grant report for completed grants, and an interim report for active grants)?

Yes

No

If you answered **No**, please complete reporting requirements prior to submitting this application.

2. There is a lifetime maximum of four (4) IPoC grants for each primary applicant and/or co-applicant(s) (both academic and industry, and across all streams). Have you been a recipient of four (4) IPoC grants as a primary applicant or co-applicant?

Yes

No

If you answered **No**, please proceed with your application.

3. Primary applicants and/or co-applicants (both academic and industry) can hold up to two (2) active IPoC grants at a time. Do you currently hold more than two (2) active IPoC grants as a primary applicant or co-applicant?

Yes

No

If you answered **No**, please proceed with your application.

4. Is there considerable overlap of the discovery/innovation in this proposed project with any previous IPoC grants or other Research Manitoba grants/awards?

Yes

No

Please take this opportunity to explain how the project is different from or building on the previous project. (Maximum 200 words)
